Viabizzuno strada principale della frazione
di bizzuno in provincia di ravenna dove tra la casa del
popolo e la parrocchia, al n°17, sono nato il ventuno luglio
millenovecentocinquantacinque.
da qui nasce il nome della fabbrica di produzione fondata il due
febbraio millenovecentonovantaquattro
rappresentata da uno spazio bianco attraversato da due linee.
una verticale, rigorosa, essenziale, equilibrata:
la luce per la luce; ed una inclinata, irriverente nello spazio, ironica,
fuori dagli schemi: la luce per la forma.
distinte ma complementari si fondono in
un unico nome: Viabizzuno. marionanni

Viabizzuno is the name of the main road of bizzuno, a small village located in the province of ravenna, where I was born on july twentyfirst nineteenfiftyfive at n°17, between the 'casa del popolo' and the local parish church. here is where the name of the factory was born, founded the second of february nineteenninety-four represented by a white space intersected by two lines. a vertical one, well balanced, logical, essential: the light for the light. the other one dynamic, irreverent in the space, ironic, out of schemes: the light for the form. separated and yet complementary they cast in the same name: Viabizzuno. ***marionanni***
